**Mill Creek Commons** is located in Middleton Idaho.

Middleton is part of the Boise City–Nampa, Idaho Metropolitan Statistical Area.

It is one of the oldest settlements in the state, was named because it was midway between Boise and an old ferry on the Snake River. It had a stage station in the early days of the Oregon Trail, a post office in 1866 and a water powered gist mill in 1871.

Today Middleton still has the small town feel with plenty of activities for everyone.

If you like mountain biking try the Eagle Velo Sports Park or spend a day swimming at Old Dam Rope Swing. If canyoneering and hiking is your sport, check out Jump Creek.

Whether is it sports, dining or family fun, you will find it here.
